*Do you have questions regarding the next step of your child's
educational journey?*

Starting the process of college planning for your child can be exciting and stressful....so come join us as the College of Saint Elizabeth will be presenting

the ABCs of college planning. Learn about the admissions process and also financial aid programs that may be available!

Parents, do you want to know what taking the mathematics portion of the PARCC Assessment is like? Our PARCC Readiness Workshop will allow you to see examples of what your children will be tested on. Help prepare your children at home for the PARCC exam!!
