Principal's Message

Greetings Warwick Family! It's hard to believe that we are nearly half way through this most unprecedented school year! We realize that student, parent, and teacher leaders alike, have been faced with many challenges in the months since school began on a fully remote basis. We thank you for your commitment to our mission and to ensuring that in spite of our circumstances, students are continuously learning, engaged, and exemplifying leadership qualities.

As we move into the second half of the school year, we are full steam ahead in our implementation of the 7 Habits of Happy Kids! For the month of January, we will be focusing on Habit 2: Begin with the End in Mind. This means setting goals and developing actionable steps in order to attain those goals. Already, students in many classes have created some Wildly Important Goals (WIGS) for themselves as scholars (e.g., completing classwork, attending school each day, or increasing their Lexile measures). Please encourage your child to share those goals with you! Every bit of accountability helps!

With the first half of the school year coming to a close, I'd like to wish you a safe, healthy, and happy winter break. Please take time to "sharpen your saw" and engage (safely) with those you love. Happy holidays & best wishes for a restorative winter vacation!

-Dr. Moss-Hasan

East Orange School District

Welcome to the online home of East Orange School District. We share our borders with Newark to the east and south, South Orange to the southwest, Orange to the west, and Glen Ridge and Bloomfield to the north. East Orange School District educates more than 10,000 students on our 22 campuses, serving students from preschool to 12th grade. Our diverse schools and educational programs work in concert with our teachers and staff to provide the best education possible for each of the children in our charge.
