- 02/24** Staff in-service (12:45 dismissal)
- 02/25** "Family Dance Party"
- 02/26** Black History concert at 10:50AM (wear Afrocentric attire)

"Make it a great day or not, the choice is yours!"

Hello Warwick Family! I hope that your New Year is off to a healthy and prosperous start. As we continue to adapt and make the best of our current reality, I'm thrilled to see our students exemplifying leadership qualities as they strive to meet their goals under these unprecedented circumstances. With our return to the physical school building now slated for April 12th, we realize many student and parent leaders alike are struggling to meet the demands of remote learning. That said, we appreciate your ongoing commitment to our mission and ask that you continue to support our student leaders by ensuring they are present and prepared to learn each day.

This month, we continue our implementation of the Leader in Me, with a special focus on Habit 3: "Put First Things First." This simply means setting priorities and spending time on what's most important. For student leaders, this may look like completing their assignments each day before going outside to play or having recreational screen time. Kindly encourage your child to use this habit at home, whether with school work, chores, or leisure activities. When we prioritize well, we're able to achieve our goals with speed, ease, and most importantly, success!

-Dr. Moss-Hasan

A special shout out to Warwick's fantastic teacher leaders who are going above and beyond—days, nights, AND weekends—to ensure our students are provided with the best possible remote learning experiences each day!

Stay informed! Please be sure to connect with us on our social media platforms, where we post both fun and informational content! Kindly also ensure you have a **FOCUS Parent Portal** account, so that you're able to monitor your child's grades, attendance, etc.

SIZING UP THE SHOTS

 The Oxford University- AstraZeneca	<p>TECHNOLOGY: Viral Vector (Genetically modified virus)</p> <p>When injected, the vaccine instructs human cells to produce the SARS-CoV-2 spike protein—the immune system's main target in coronaviruses.</p> <p>EFFICACY: 50-90%</p> <p>PROCESS: Passed all three trials</p> <p>MAJOR BUYERS: EU (400 million doses), US (200 million doses), UK (500 million doses)</p> <p>THAILAND: 26 million doses</p> <p>PRICE: US \$ 4 per dose</p> <p>DOSED REQUIRED: 2</p>
 Sinovac	<p>TECHNOLOGY: Inactivated vaccine</p> <p>Using the dead Covid-19 virus itself to trigger an immune response</p> <p>EFFICACY: 50-70% (varies in tested countries)</p> <p>PROCESS: Phase 3 trials</p> <p>MAJOR BUYERS: Indonesia (140 million doses), Philippines (25 million doses)</p> <p>THAILAND: 2 million doses</p> <p>PRICE: US\$2 per dose</p> <p>DOSED REQUIRED: 2</p>
 Pfizer- BioNTech	<p>TECHNOLOGY: mRNA</p> <p>The new mRNA technology tricks the body into making the viral protein itself which, in turn, triggers an immune response</p> <p>EFFICACY: 95%</p> <p>PROCESS: Passed all three trials</p> <p>MAJOR BUYERS: EU countries (200 million doses), US (100 million doses)</p> <p>PRICE: US\$20 per dose</p> <p>DOSED REQUIRED: 2</p>
 Sputnik V <small>(by Russia - Candidate vaccine)</small>	<p>TECHNOLOGY: Adenoviral vector-based platform</p> <p>The technology delivers the genetic instructions for SARS-CoV-2 antigens directly into patients' cells, triggering an immune response.</p> <p>EFFICACY: 91.4%</p> <p>PROCESS: Phase 3 trials ongoing</p> <p>MAJOR BUYERS: Brazil (120 million doses), Argentina (10 million doses) Bolivia (2.6 million doses), India (contracted to locally produce 100 million doses)</p> <p>PRICE: US\$10 per dose</p> <p>DOSED REQUIRED: 2</p>
 Moderna	<p>TECHNOLOGY: mRNA</p> <p>A new type of vaccine which uses messenger RNA, which contains instructions for human cells to make proteins that mimic part of the coronavirus, to trigger an immune response.</p> <p>EFFICACY: 95%</p> <p>PROCESS: Passed all three trials</p> <p>MAJOR BUYERS: EU (160 million doses), US (100 million doses), Canada (40 million doses)</p> <p>PRICE: US\$5 per dose</p> <p>DOSED REQUIRED: 2</p>
 Johnson & Johnson	<p>TECHNOLOGY: Uses a cold virus to deliver genetic material from the coronavirus into the body to prompt an immune response.</p> <p>EFFICACY: Expected to be released by the end of January</p> <p>PROCESS: Phase 3 clinical trials ongoing</p> <p>MAJOR BUYERS: EU (160 million doses), US (100 million doses), Canada (40 million doses)</p> <p>PRICE: Estimated US\$10 per dose</p> <p>DOSED REQUIRED: 1</p>
