

Dear Parents/Guardians

The Physical Education Department looks forward to having your child in class for the 2017-2018 school year. Please take a moment to review this letter regarding important information about our program.

To participate in class, students are required to wear athletic sneakers, athletic shorts/sweatpants, and a t-shirt/sweatshirt. During class, students will store their uniform and personal belongings in the locker room. It's STRONGLY encouraged that your child brings a lock to secure their items during the class period. The Physical Education Department will not be responsible for items that are lost or stolen. The use of electronic devices and bringing of food/beverages into the gym is not allowed. Additionally, students are not permitted to walk out of the gymnasium without permission from their teacher. Walking out of the class will result in a zero for the day as well as a cut for the class period.

Class participation and preparation make up a large portion of your child's grade. It is important that they arrive to class on time, wear the required clothing for physical education, and participate in the activities. Failure to do so will result in your child's grade to be lowered. Each marking period every student starts with a 100 average. Also, there will be a weekly writing component in the Physical Education classes throughout the year.

Further information about our program such as the class syllabus, and important announcements throughout the year can be found on your child's teacher's school fusion page. This can be accessed through the school's website under teacher profiles. Thank you and we look forward to another wonderful school year.

Sincerely,

Ms. Carter (aja.carter@eastorange.k12.nj.us)

Mr. Ellis (b.ellis@eastorange.k12.nj.us)

Please return the bottom portion of this page filled out and signed to your child's teacher by 9/22/17. It will count as a graded assignment.
