

Top Amira Tips for Parents

SUPPORTING YOUR CHILD @ HOME

1. Test your device ready.

Important: Go here, grab any login, and test your device:

Test logins: <https://www.amiralearning.com/educator-support/fake-user-accounts-for-it-checklist-training>

2. Practice reading together.

Use a test account (above) and have your child practice with Amira.

3. Find a quiet place.

You don't need headphones. Each story takes about 5-10 min. Your child should read 30-60 minutes a week.

4. Keep on reading.

Do **NOT** wait for the cursor to catch up. Just keep reading.

Checkers wasn't any trouble at a

5. Try your best.

Skip words you don't know. The pop-ups (interventions) are there to help.

6. Don't say the words for your child.

Its tempting! But this will make it harder for them and force a repeat..

7. Wait until Amira finishes saving.
