EOSTEM Academy Family,

September 7, 2020

Greetings! Welcome to the 2020-2021 school year. I would like to also especially welcome our new students and parents. I trust you all are safe, healthy and ready for an exciting year of teaching and learning at the Mighty EOSTEM Academy. Students, although we are beginning the year virtually, our goal is to give you the best possible learning experience ever.

Starting our new school year in a fully remote learning format is a new experience to all of us. Here at EOSTEM Academy, we rise to the challenge! We are confident that we have the experience and expertise to ensure that all our students receive a quality teaching and learning experience. Hopefully, at some point (mid-November) we will be back in the building at limited capacity.

To stay abreast of all information regarding EOSTEM, please check your email for messages we send through FOCUS.

All students and staff are expected to join the Welcome Meeting at 8am on September 8, 2020. Copy and paste the link below to join.
